

# 2019 Sponsorship Opportunities

Mission Possible  
care. connect. engage.

YOU MAKE  
*the Mission Possible!*

**PLEASE HELP US  
IN THANKING OUR  
2018 SPONSORS!**

KOLER FINANCIAL GROUP

**You don't know what you  
don't know until you know it!**

I had the blessing of growing up in Parma. During the spring, summer and fall, I would join my friends at State Road Park. It had lots of ball fields and bike paths. We would spend hours and hours there along with hundreds and hundreds of people every day and night. It was a great place for all of us to come together – gathering with family and friends. It was the place for the community to come together. **In all the thousands of times I rode to the park, I never really thought about how important it was for me – and for our community – until two years ago.** Let me explain.

In late January we dedicated a Baseball Field in our mission community. While the need for homes and basic essentials is great, we chose to build a ball field not just for baseball but more importantly, to give the community a place to gather. What I came to realize in our mission community is that all my life I never really thought about how important it was/is to have **a place for people to come together – a gathering place for the community – until I was in the mission and they had no place for people to share life, friendship and build community.**

So by the time you read this, hundreds and thousands of people will be coming together to play baseball, gather with friends, watch a game and most importantly – build community. **It's going to make a real difference for those we serve in our mission community.**

This is one of so many examples of the good we are doing together with your support. Mission Possible is taking swamp land, and by God's grace, creating a community gathering place. With your help, we are taking families living in tin shacks and terrible living conditions, and creating the possibility of a better life living in a new 440 sq. ft. home with good neighbors. **Mission Possible takes eager high school and college students on a mission trip and opens up a whole new world of possibility in the ways they can serve and make the world a better place for all.**

I have such a great appreciation for State Road Park, along with all the wonderful blessings and opportunities I received as a child and now as an adult. I am so grateful for your support for Mission Possible. **Together we are creating a better world – a strong community – a better life for some of the poorest of the poor in the world.**

Your support makes the mission possible. God bless you, our Mission Leadership Team, and all who work together to bring hope and the possibility of a better life to those we serve.

Thank you for your consideration and support.

Sincerely,

Father Bob Stec

care. connect. engage.

# Mission Possible Yearly Sponsorships

Many of our high school and college students share with us that their experience has made a real impact on their life, their career choices, and mostly their desire to do good. You can help make this mission experience possible by your support of Mission Possible.

In recognition for your participation in the Mission Possible Sponsorship Program, you will do great good and also receive recognition, throughout the year, in all Mission Possible events, literature and programming. It's our way of acknowledging the partnership that we form – hand in hand -- working together to serve those in need, and form leaders for our community and our world.

We want our partnership to be good for you. We can work together to discuss the best ways to acknowledge your participation. We can also create some unique opportunities. Imagine having your company, or your family name, on a school or medical center that cares for the poorest of the poor. It would make a bold statement about your desire to help Mission Possible care for those in need, and create a better world for all.

We need your help and support. The mission only happens because of - and with - your help and support. Please consider a Mission Possible Sponsorship. Our pledge is to use your support to do great good. Our commitment is to make this a good experience and high value for you and your company.

*"Each year I become more in awe of the work we do with our mobile medical clinics. We reach out and care for people who may not go to a clinic for health care. These people receive expert care, exams, medications, education, and answers to all their health concerns by our knowledgeable and loving health team. It is a humbling experience."*

- DIANE GRAHAM

The Grand Slam Gala is an event dedicated to supporting Mission Possible, a 501(c)3 organization bringing those most in need the basic needs we take for granted each day. Since January 2007, Mission Possible has served thousands of people, providing shelter, medical attention, clothing and food to feed their families. We also provide care, compassion and most importantly...hope.

**You make all the difference in their lives.**
